We stand for Integrity, Ability, and Best Practices. As partners with each client, IAB develops customized solutions and delivers positive results while providing the highest level of customer service.

Partners

We are a nationwide Accounts Receivable service provider partnering with our clients. We focus on the resolution, recovery and management of deductions, disputed receivables and the invoice collection process. We achieve success through collaboration and commitment to our clients goals.

Solutions

Just as every client's needs are unique, our solutions differ with each specific assignment. Our focused, fully managed teams work independently, recover the maximum possible dollars and improve cash flow. IAB's proprietary web-based workflow solutions (MARS™) maximizes our productivity and performance.

Results

We create long-term, mutually beneficial client relationships based on our history of achieving results. We provide exceptional customer service; drive more dollars to your bottom line and deliver accurate, actionable information. We combine people, teamwork and technology to achieve excellence.

We complement our clients' staff as a transparent extension of their team in all aspects of Accounts Receivable including:

- Deduction Management & Resolution
- Chargeback Recovery
- First Party Invoice Collection
- Broker Audits

- Unearned Cash Discount Programs
- Process Audit and Review
- Sales Tax Certificate Management
- Unclaimed Property Reconciliation

We also assist our clients with:

- Acquisitions and Mergers
