Help Ease Your Workload

with NACM Midwest's

Credit Application Processing

How the Credit Application Processing Service Works:

NACM Midwest's Credit Application Processing Department can help ease the credit application process. Just fax the following information to 847-253-5693:

- 4 Business References
- 1 Bank Reference

Applications submitted complete with accurate fax/phone numbers for references will ensure a quick turnaround, saving you time to focus on other important department operations!

On any incomplete application submitted, NACM Midwest will make every attempt to obtain correct contact information and pursue credit reference data within three business days.

You will be notified upon completion of your credit application which references did not respond to your requests after multiple attempts by our professional staff.

All means of contact (phone, fax, e-mail) will be utilized to deliver efficient cost-saving results to your company.

Our Credit Application customers will be invoiced according to the pricing schedule (see pricing on reverse side of this brochure).

The Association Setting the Standards for the Credit Profession.

Membership in NACM Midwest offers credit professionals the information and resources needed to achieve career and financial success.

The Association is the leading resource for members to come together for networking and other business purposes. NACM Midwest provides opportunities for members to grow personally and professionally and to enhance their leadership skills.

Every company, large or small, can benefit from the many services offered by NACM Midwest. We are the largest business credit trade association in the Midwest, and together, with the other NACM affiliates, comprise the largest in the country. Belonging to NACM Midwest means belonging to the national business credit community!
